For students fulfilling their cross cultural requirement by taking an ESR-or Bethany-sponsored travel course, ESR’s AVD Grant will cover expenses up to $1,000, or $500 for an Independent Study travel course. Expenses for additional travel courses must be paid in full by the student. Tuition is not covered by the grant.

Expenses that may be covered by the grant are:
- Program fees during the course such as instruction costs, entrance fees
- Room, board and travel during the course
- Travel to/from the course destination

Expenses paid directly by ESR or Bethany that are covered by the grant are not taxable income to the student.

If the student pays for his/her own travel to/from the destination, and the final total expense per person paid by ESR or Bethany is less than the grant amount, ESR will credit the difference to the student's account as a taxable grant. The student may choose to use the credit to pay for tuition and fees at ESR or to receive a refund check if their account is paid in full.

For Independent Study courses, the amount is credited to the student’s account as a taxable grant, and refunded to the student to cover expenses.

If ESR or Bethany pays for all expenses, including travel to/from the destination, and the final total expense per person is less than the grant amount, the difference in not provided to the student.

If the expense per person paid by ESR or Bethany is greater than the grant amount:
- For ESR-sponsored courses: students must pay the balance to ESR no later than 10 days before the departure date. Any expenses incurred by ESR after that date will be absorbed by ESR.
- For Bethany Sponsored courses: Students must pay Bethany for any balance due according to Bethany policies.
